

# Your values vote... *violated*

---

*Forced abortions, drugs, on-line sex,  
gambling, pedophilia, money laundering...*

are these the values you voted for  
when you voted Republican?

*Of course not.*

Your faith in conservative  
Republicans has been betrayed.

**Bill Bennett**

Noted author and advocate of traditional virtues, revealed to have lost millions of dollars gambling

**Tom DeLay**

High profile born-again Christian politician, indicted and booked for money laundering.

DeLay also worked *against* efforts to end the sweat shops, sex industry and forced abortions in the American-commonwealth Northern Mariana Islands.

**Newt Gingrich**

Led the charge in the Monica Lewinsky scandal, then revealed he was also having an affair with an aide, leading to his second divorce and third marriage.

**Mark Foley**

Leading Republican child protection advocate, resigned after his on-line sex chat with boys came to light.

**Bill O'Reilly**

Prominent advocate of conservative moral values, settled an out-of-court lawsuit for sexual harassment.

**Rush Limbaugh**

Vocal advocate of zero-tolerance drug laws, booked in Florida for his long-time illegal drug habit.

**Ralf Reed**

First executive director of the Christian Coalition, took casino money to lobby against a rival casino in the cause of anti-gambling.

## Voting good over evil isn't just voting Republican over Democrat.

Clearly some of the most high profile "Christian" conservative politicians and spokesmen have violated your trust.

Contrary to what you may have been told, many liberals and Democrats love the Lord and live their Christian values, just like you.

## About this Flier

This flier was made as a response to an appeal by Al Franken on his radio show that fliers should be distributed at conservative churches revealing the true nature of the Religious Right and conservative values movement.

This flier can be printed on one side and posted on a church bulletin board or it can be printed on two sides, cut in half, and used as a half-sheet flier on windshields in church parking lots.

The original can be downloaded at

If you would like the original file to modify for your own use, it is in Microsoft Publisher format. Email me at [abeskids@xemaps.com](mailto:abeskids@xemaps.com)

I have tried to be fair and accurate with each person mentioned on the flier, using only documented issues. If you think I have been inaccurate or unfair, please let me know and I'll produce a corrected edition if you're right.

Blessings!  
Craig
